

Robyn Rohla lives with her family in Mesa, Arizona. She has been in healthcare for over 40 years, the last 30 as a Registered Nurse, employed in Emergency Nursing, Neuro Interventional Radiology, Helicopter Emergency Medicine, Education, and Management.

For the past eleven years, she has volunteered for Honor Flight Network based on Honorflightaz.org. Honor Flight is a non-profit organization with a nationwide mission to proudly celebrate America's Veterans on a day of honor in our nation's capital. HonorflightAZ.org takes WWII, Korean, Cold War, and Vietnam War veterans on a three-day, all-expense paid trip to Washington, DC, to see their memorials. For further information, please visit Honorflight.org.

Robyn first volunteered for Honor Flight Northern Arizona as a guardian to help a veteran on their trip and then as a medic for multiple missions. Robyn then served on the Board of Directors for five years. The Board ensured that as many veterans as possible could go (safely) on their mission to Washington, DC. All expenses must be accounted for and used correctly as stated in the bylaws and Mission Statement. She continues to accompany 1-2 missions yearly as a medic to the Veterans.

By serving on the Board of Directors for Middle Class United, she can uphold the unity and democracy we are based on as we grow by keeping our bylaws and mission statements at the forefront. When working with the surplus profits, I will ensure that we keep our goals close to the heart of the middle class, for now, and for the future.

I have served on a non-profit Board of Directors before and enjoyed helping a smaller, yet vastly important, section of the community. I can now support 80% of the middle class with your vote
